NOTICE

All the Universities in West Bengal have come up with a Common Syllabus of Physiology along with CBCS system in the Undergraduate B.Sc. Honours and Pass Courses. This new syllabus is going to be implemented from the forthcoming semester.

Under the circumstances, The Physiological Society of India is revising the Practical Note Books under the light of this new syllabus. The revision is under process and the revised Practical Note Books will be published shortly.

Concerned College Authorities are requested to inform the Physiology (Pass and Honours) students accordingly.
