PHYSICON-2019

An Extension Programme

XXXIst Annual Conference of the Physiological Society of India

ANNOUNCEMENT/ INVITATION

Dear Colleagues,

On behalf of the Organizing Committee, it is a great pleasure in inviting you to the PHYSICON-2019 an extension programme: The XXXIst Annual Conference of the Physiological Society of India (PSI) "Recent Trends in Physiology and Healthcare Research for Salubrious Society" held at the Bankura Christian College, Bankura-722101, West Bengal, India, during 18th – 20th November, 2022.

Bankura Christian College as a premier higher education institution is now a brand name in academia. The college has established itself as a centre of education for excellence, imparting quality education for more than a century and contributing significantly to the nation by nurturing young talent and enabling themselves to work for the society, for the truth and knowledge and ultimately for Improving quality of human life. Bankura Christian College is situated in the heart of the historic city of Bankura. The College has stepped into 119 years of its eventful existence. In 2011 the institution was recognized by the UGC as a Centre with Potential for Excellence (CPE) and it was renewed very recently in 2017 for the Second Phase. The National Assessment and Accreditation Council (NAAC) conferred 'Grade A' to the college in the second cycle of accreditation in January, 2013. The college is also enjoying the privilege of being under RUSA. The college was re-accredited in Grade A with 3.02 in a 4.00 CGPA Score in 2018 by the National Assessment and Accreditation Council (NAAC).

The Department of Physiology is deeply engaged in teaching under graduate students. This department also extends facilities for research and development in various disciplines of Physiology. This year the Department of Physiology, is going to organize the conference "Recent Trends in Physiology and Healthcare Research for Salubrious Society" with an objective to promote teaching and research in basic Physiology in the country and abroad.

The Physiological Society of India (PSI) is the pioneer organization of the Physiologists of India. The Society first started functioning in Calcutta. But in course of time it became an all India organization of Physiologists, Pharmacologists, Biochemists and Medical students and teachers. It is indeed an honour to announce that the conference will be a platform to share views among eminent Physiologists, Scientists, Research Scholars and Students from all over the country and abroad. The Plenary Sessions, Symposium, Invited lectures, Oral and Poster presentations will cover all the aspects of modern Physiological Sciences.

During the period of Conference the weather will be pleasant and colourful. We hope that all the delegates will enjoy their comfortable stay in the historic city of Bankura and this will be a memorable and enjoyable Conference.

We look forward to your participation in the Conference focusing at Advances in Physiology - a Changing Paradigm during 18-20 November, 2022.

Welcome you to Bankura.

With warm regards,

Dr. Rajkumar Maiti Organizing Secretary PHYSICON-2019 An Extension Programme	Dr. Prithviraj Karak Convener PHYSICON-2019 An Extension Programme	Dr. Fatik Baran Mandal Chairman PHYSICON-2019 An Extension Programme
